ANNUAL REPORT - 2025

The school Annual report of Joshitha School, Hyderabad articulates and demonstrates the dynamic nature of the school, our commitment towards excellence and relentless pursuit to achieve our best in the holistic development of our students. Our teachers are reflective and responsive to the needs of the students.

Joshitha School, Hyderabad was established in the year 2012 and is affiliated to Central Board of Secondary Education, Delhi. We focus on supporting all students to reach their full potential academically, socially and emotionally. The staff are highly committed, dedicated, proactive and adopt a wide variety of innovative teaching practices.

We follow the CBSE Curriculum and are associated with XSEED as Academic Training Partner. We defined our teaching methodology as

Activity Based,

Project Oriented, and

How to apply the concept in our daily life.

The XSEED Curriculum perfectly serves this purpose, as their lesson plans are designed based on the **activity based**.

Where the children can achieve practical knowledge by doing **Art Integrated projects**.

The discussion and writing of the worksheets after the completion of every concept helps the students to understand how we can use it in our **day-to-day life**.

We have a tie-up with **Tata Classedge** for the visual representation of our XSEED concepts which make the lessons easier to understand and retain it in the memory for a longer time.

The **digital classes** are used either in the beginning of the block/chapter or it might be used at the end of the teacher explanation.

The Assessments and Exams pattern were followed as per CBSE for evaluating the children throughout the year through CCE.

In Joshitha, equal importance is given to the
Academics,
Co Curricular and
Extra Co curricular Activities for all-round development of the child.

Our children are having daily 2 periods for these activities. Extra Co Curricular Activities include taekwondo, dance, and sports.

Education at our school is a continuous process where students learn from teachers and teachers also gain knowledge from latest teaching methodologies, as the process of learning what we learnt and how we learnt is changing every day. Always parent keeps a positive attitude to recognize the latest teaching methodologies.

Now, let me brief you on the programs & celebrations that were conducted all through the year.

- We celebrated all National, Religious festivals and Important Days.

Celebrating Special Days

At Joshitha, we believe in nurturing not only academic growth but also the development of responsible, empathetic, and engaged citizens. This year, we celebrated a range of important days, each with unique themes that helped our students learn, reflect, and contribute positively to society.

Special Assemblies:

Throughout the year, our school organized several Special Assemblies to celebrate important events, festivals, and themes. These assemblies provided students with an opportunity to showcase their talents through skits, speeches, dances, and songs, while also fostering a sense of unity and school spirit. Special assemblies were held to commemorate national holidays, cultural festivals, and significant occasions, reinforcing values like patriotism, respect, and community. These assemblies not only enriched the students' cultural and moral understanding but also encouraged them to express themselves confidently in front of their peers.

Field Trips:

- The children of LKG to Grade III were taken to Oxygen Park, Kandlakoya. Grades IV to VI to Golconda Fort, and Grade VII to X we are taken to Manjeera Water Reservoir and Post Treatment Plant, Sangareddy for educational field trips.

Extra Co-Curricular Activities

- We are conducting Extra Co-Curricular Activities Dance and Taekwondo throughout the year.
- We encouraged our children to participate in BHEL cluster (CBSE) Interschool competitions and also, we are conducted Taekwondo belt exam.

Co-Curricular Activities:

- We are conducting Co-Curricular Activities three different categories like Literary Fest, Cultural Fest, and Art & Craft Fest. We will give the Merit Certificates were to the Winners in various categories.

ISSO

Sai Sree. T (7), Rohan Konda (8), Vaibhavi Vanapally (9).

I congrats all these children their smart work.

Teacher Training and Capacity Building:

This year, we placed a significant focus on the professional development of our teachers through a series of capacity-building programs. These included workshops on innovative teaching strategies, classroom management, and technology integration, empowering our educators to create engaging, student-centered learning environments.

We also prioritized emotional intelligence and mental health awareness, ensuring our teachers are equipped to support students' well-being. Additionally, we introduced peer mentoring and collaborated with external experts to further enhance teaching practices.

These initiatives have not only strengthened our teaching staff's skills but have also fostered a culture of continuous learning and collaboration, ultimately enhancing the overall learning experience for our students.

Regular Parent-Teacher Meetings (PTMs)

Throughout the year, we held regular Parent-Teacher Meetings (PTMs) to ensure strong communication between the school and families. These meetings provided a platform for parents to discuss their child's academic progress, behavior, and overall development with teachers.

The feedback and collaboration from these sessions played a key role in supporting students' growth and success

Environmental Education Efforts:

Our school has consistently prioritized environmental education as a key area of focus. This year, we expanded our curriculum to include more hands-on projects, workshops, and field trips, aimed at fostering environmental awareness among students. Initiatives such as tree planting drives, waste management campaigns, and sustainability awareness programs were conducted, encouraging students to develop a strong sense of responsibility towards protecting the environment.

Conclusion

At Joshitha School, we are committed to fostering a nurturing environment where each student can discover their true potential. By blending academic excellence, physical wellness, cultural appreciation, and essential life skills, we prepare our students to become well-rounded individuals and responsible global citizens.

Guided by the principles of NEP 2020 and inspired by Swami Vivekananda's vision, we continue to shape young minds with the tools they need to carve out their own destiny. Together, as a community, we celebrate every achievement and look forward to many more milestones in the years to come.
